[THE EXEMPTIONS FROM LAND-REVENUE (No. 1) ACT, 1863.][1]

[*9th April, 1863.*]

An Act to facilitate the adjustment of unsettled claims to exemption from the payment of Government land-revenue, and to regulate the succession to, and transfer of, lands wholly or partially exempt from the payment of such revenue in those parts of the Bombay Presidency which are subject to the operation of Act XI of 1852[2] of the Legislative Council of India.

Preamble.

WHEREAS it has been deemed expedient to provide for the final adjustment, summarily, of unsettled claims to exemption from the payment of land-revenue, and to fix the conditions which shall secure, in certain cases, the recognition of titles to such exemption with respect to succession and transfer in those districts of the Bombay Presidency to which the operation of Act XI of 1852[2] of the Legislative Council of India extends; It is hereby enacted as follows:—

Power to authorize and guarantee continuance in perpetuity of land to

revenue-free holders on terms and conditions agreed to.

consented to submit to the terms and conditions hereinafter described, in preference to being obliged to prove their title to the exemption enjoyed by them, it shall be lawful for the Governor in Council to finally authorize and guarantee the continuance, in perpetuity, of the said land to the said holders, their heirs and assigns, upon the said terms and subject to the said conditions.

Exceptions.

Clause 2nd.—The excepted cases to which the authority of adjustment and guarantee, vested in the Governor in Council by this provision, shall not extend, are the cases of lands held as follows:—

1st, lands held under treaty:

2nd, lands granted or held as jágírs or saranjáms, or on similar political tenure.

3rd, lands held for service.

4th, lands already formally adjudicated to be not continuable hereditary.

Such lands (subject to enactments in section 3) to be heritable and transferable property of holders and continued in perpetuity, subject to payment to Government of nazrána and quit-rent.

2. When the Governor in Council shall have finally authorized and guaranteed the continuance, in perpetuity, to the holders, their heirs and assigns, of lands wholly or partially exempt from the ordinary payment of annual land-revenue, whose title to exemption has not already been formally adjudicated and who have dispensed with an inquiry into such title, the said lands shall (subject to the enactments contained in section 3 [1]* * *) be the heritable and transferable property of the said holders, their heirs and assigns, without restriction, as to adoption, collateral succession or transfer; and such lands shall thenceforth be continued, in perpetuity, subject to an annual payment to Government. Such payment shall consist of—

1st, a fixed annual payment as nazrána, in commutation of all claims of Government in respect of succession and transfer, and shall be calculated at the rate of one anna for each rupee of assessment;

2nd, of a quit-rent equal to one-fourth of the assessment.

The said assessment shall be ascertainable under the following rules:—

Rules for ascertaining amount of assessment.

Rule 1.—The assessment of lands other than those specified in Rule 2 shall, with respect to lands which have already been assessed by the revenue-survey, now in progress, be the assessment already imposed upon those lands by that revenue-survey, and with respect to lands which have not yet been assessed by that revenue-survey shall be such assessment as shall be agreed on by the Collector or settling officer and the owner or holder of the lands which shall be final;

[1] The words "of this Act" were repealed by the Bombay General Clauses Act, 1886 (Bom. Act 3 of 1886), Schedule B. This Schedule is printed as an Appendix to the Bombay General Clauses Act, 1904 (Bom. Act 1 of 1904), Vol. IV of this Code.

and, in failure of their agreement, it shall be the existing rental of the lands until the revenue-survey now in progress shall have placed a new assessment thereon, after which the assessment so placed by the said revenue-survey shall be understood to be the assessment.

And it shall be lawful for the duly authorized officers of Government employed in the said revenue-survey to enter upon all lands not heretofore assessed by such revenue-survey for the purpose of fixing and making an assessment thereof, provided no arrangement can be otherwise arrived at by the Collector and the owner or holder, as above provided, to ascertain the fair rental of the lands.

Rule 2.—The assessment of lands of such an exceptional character as not to be assessable under the revenue-survey rules shall be in the discretion of the revenue-officers of Government, which discretion shall be guided, so far as may be, by the rate at which similar land in the same district belonging to Government is let, due regard being had by the said revenue-officers to all equitable considerations affecting such lands.

Shares of the revenues of villages (such as amals) shall be assessed for the purposes of this Act at the value thereof, calculated at the average shown by such accounts of actual realizations by the holders as are forthcoming for the ten years immediately preceding the promulgation of these rules.

Rule 3.—Lands for which a júdí, sálámí or other quit-rent or land-tax under whatever denomination, is already paid to Government, instead of being liable to only one-fourth of the assessment, shall in addition to the annual amount of such júdí, sálámí, quit-rent or other tax aforesaid, be liable to a further annual quit-rent, equal to one-fourth of the sum by which the annual or average annual amount of such júdí, sálámí or other quit-rent or tax aforesaid may fall short of the assessment.

Rule 4.—Quit-rent and annual nazrána imposed under this section (section 2) and the rules thereunto annexed shall be fixed in perpetuity, and shall not be liable to increase or decrease on any new assessment, save so far as is above in rule 1 of this section (section 2) provided to the contrary, in the case of lands which have not been already assessed by the revenue-survey now in progress.

Rule 5.—The whole of the exempt lands found in the possession of each holder shall be continued according to the provisions of this section (section 2) and the rules thereunto annexed, and subject to the enactments contained in section 3.

3. Any adjustment made by the Governor in Council with the holder of land held wholly or partially exempt from the payment of land-revenue, **Adjustment, so far as rights of Government.**

to levy nazrána and quit-rent, binding on holder and rightful owner and assigns.

in accordance with section 2 * * *[1] and the rules annexed to the said section, shall, so far as the right of Government to levy the nazrána and the annual quit-rent mentioned in the said section is concerned, not only be binding upon such holder, his heirs and assigns, but also on the rightful owner, his heirs and assigns, whosoever such rightful owner may be:

Savings of rights and remedies of rightful owner, his heirs and assigns.

Provided always that the said rightful owner, his heirs and assigns, shall not, by this Act or anything therein contained, be deprived of any rights or remedies [2]* * * * * to which he or they would be entitled against the said holder, his heirs or assigns for the recovery of the said lands or any part thereof if this Act had not been passed;

and in the event of the rightful owner, his heirs or assigns recovering the said lands or any part thereof, from the said holder, his heirs or assigns, any declaration, guarantee or adjustment made by the Governor in Council under, or in accordance with, sections 1 and 2 * * *[1] and the rules annexed to the said section 2 with respect to the said lands while the same were in the possession of the said holder, shall accrue to the benefit of the said rightful owner, his heirs and assigns.

Such lands, so far as rights of Government are concerned, to be recognized as heritable and transferable property of actual and legal successors by inheritance and heirs by adoption.

4. Lands held partially or wholly exempt from the payment of land-revenue, and already formally adjudicated to be so continuable hereditarily in perpetuity, may, at the option of the holder, be henceforth recognized, so far as the rights of Government are concerned, as the heritable and also the transferable property, not only of the actual descendants of the person to whose descendants inheritance may have been limited by the terms of the said adjudication, but also of all his legal successors by inheritance, including heirs by collateral successions and heirs by adoption, and their assigns;

and thereafter the right of Government or its officers to question the title to possession, or to exemption from the payment of land-revenue, of any holder of the said land already so adjudicated to be heritable in perpetuity on the ground that he does not belong to the family to which title is restricted by the adjudication, is hereby abrogated;

Lands adjudicated to be heritable to be held subject to payment of additional nazrána.

and, in any case of recognition as in this section aforesaid, lands already adjudicated to be heritable, and to which such recognition applies, are henceforth to be held subject to the payment to Government of an annual nazrána calculated at the rate of one anna for each rupee of the assessment of the land, ascertainable as provided in the rules of section 2

[1] The words "of this Act" were repealed by the Bombay General Clauses Act, 1886 (Bom. Act 3 of 1886), Schedule B. This Schedule has been printed as an Appendix to the Bombay General Clauses Act, 1904 (Bom. Act 1 of 1904), Vol. IV of this Code.

* * *[1], which nazrána is to be in addition to the partial assessment (if any) ordered by the terms of the formal adjudication under which the land has already been declared to be continuable:

Provided, however, that the assent of the holder of all lands adjudicated as aforesaid to the acceptance of such recognition and the payment of such nazrána as in this section as aforesaid shall be assumed, unless such holders shall, within three (3) [2]* months from the date on which this Act comes into operation, decline to accept such recognition as aforesaid by a notice given in writing to the Collector of the district. Proviso.

Provisions in respect of amount of nazrána when it exceeds ten rupees.

5. *Clause 1st.*—When the amount of the annual nazrána payable for any holding in accordance with section 2 or section 4 * * *[1] respectively exceeds the sum of ten rupees, it shall be at the option of the holder of the land on account of which the said nazrána is declared payable, if he be not merely a mortgagee, to elect within two *[2] months after service of a notice explaining the purport and effect of the rules contained in this section (section 5), which service shall be made in the same manner as is hereinafter provided for the service of the notice described in section 11 * * *[1] that in lieu of the land being made subject to the payment of such annual nazrána an occasional nazrána shall be payable at each change of possession thereof, or of any part thereof, by inheritance or transfer, the amount of which nazrána shall be— Occasional nazrána.

(*a*) on every succession by inheritance, a nazrána equal to one year's assessment of the wholly or partially exempt lands which are the subject of such succession:

(*b*) on every transfer of lands wholly or partially exempt from the payment of land-revenue, a nazrána equal to two years' assessment of the land transferred.

The assessment shall be, in each case, ascertainable under the rules annexed to section 2 * * *[1]:

Provided that, in the event of more than one succession or transfer occurring within twelve months, such occasional nazrána [3][on] succession or transfer shall not be leviable more than once: Proviso.

Provided also that it shall be at the option of the holder of the land to pay such occasional nazrána in one sum or by annual instalments not exceeding one-fourth of the whole nazrána per annum. Proviso.

Occasional nazrána from whom to be levied.

Clause 2nd.—When, at the election of the holder, lands wholly or partially exempt from the payment of land-revenue shall have been made liable to occasional nazrána leviable under this section (section 5), instead of to an annual nazrána of one anna in each rupee of the assessment as provided by sections 2 and 4 * * *[1], the occasional nazrána shall be levied from each person obtaining possession of the land to which it is subject, whether by inheritance or transfer;

Person obtaining possession to give notice to Collector, etc.

8. When the said grantees or their assigns open or break up the road or pavement of any street or bridge, they shall, with all convenient speed, complete the work for which the same shall be broken up, and fill in the ground and make good the road or pavement so opened or broken up, and carry away the rubbish occasioned thereby, and deposit the same for the use of the Commissioner at such place as the executive engineer of the said municipality shall direct; and shall, at all times whilst any such road or pavement shall be so opened or broken up, cause the same to be guarded, and shall cause a light, sufficient for the warning of

passengers, to be set up and maintained against or near such road or pavement where the same shall be open or broken up every night during which the same shall be continued open or broken up.

9. If the said grantees or their assigns open or break up any street or bridge without giving such notice as hereinbefore mentioned, or in a manner different from that which shall have been approved of or determined as aforesaid, except in the cases in which the said grantees or their assigns are hereby authorized to perform such work without any superintendence or notice; or if the said grantees or their assigns shall make any unnecessary delay in completing any such work, or in filling in the ground, or reinstating and making good, so far as is consistent with the existence of the said tramway, the road or pavement so opened or broken up, or in carrying away the rubbish occasioned thereby; or if they neglect to cause the place where such road or pavement has been broken up to be guarded and lighted—they shall forfeit to the said Justices a sum not exceeding fifty rupees for every such offence, and they shall forfeit an additional sum not exceeding fifty rupees for each day during which any such delay or neglect as aforesaid shall continue after they shall have received notice thereof.

10. The said grantees or their assigns shall maintain and keep in repair such portion of the streets and bridges in the town and island of Bombay as shall be occupied by their tracks, including therein not only the space between the tracks, but eighteen inches on either side thereof, and in consideration of such maintenance of streets and bridges, and of the yearly rent hereinafter mentioned to be paid by the grantees, the horses and carriages and other vehicles of the said grantees shall be exempt from municipal taxation.

11. If any unnecessary delay or omission shall take place by the said grantees or their assigns in complying with any order which may be made on them by Government for the removal of the said track proposed to be constructed along Sayád Abdul Rahmán Street as hereinbefore mentioned, or otherwise in acting in accordance with the proviso hereinbefore contained regarding that track, or in the performance of any of the works specified in clause 8 of these presents, or in filling in the ground, or reinstating and making good the road or pavement so opened or broken up, or in carrying away the rubbish occasioned thereby; or if they neglect to cause the place, where such road or pavement has been broken up, to be guarded and lighted, or neglect to maintain and keep in repair the portion of the roads or bridges which shall be occupied by their tracks—the said Commissioner may cause the work so delayed or omitted to be executed, and the expense of executing the same shall be repaid to him by the said grantees or their assigns, and the certificate in writing of the Commis-

sioner as to the expense so incurred shall be conclusive, and the said grantees shall not be at liberty to dispute the same.

12. The said grantees or their assigns shall be liable for any loss or injuries that any person may sustain by reason of any defect or want of repair in any of the plant or other property of the said grantees, or of any carelessness, neglect or misconduct of their agents or servants in the management, construction, or use of the said tracks or tramways; and, in case any recovery shall be had against the said Commissioner or the said Justices by reason of such defect, or other matter aforesaid, the said grantees or their assigns shall be liable to pay to the said Commissioner or the said Justices, as the case may be, any sums thus recovered against him or them, together with all costs and reasonable expenditure incurred by the said Commissioner or the said Justices in the defence of any such suit or suits in which such recovery shall be had.

13. Nothing in this agreement shall be construed to prevent the said Commissioner from taking up any of the public streets or roads traversed by the said tramway for the purposes for which he may now lawfully take up the same.

14. If at any time after the opening of any tramway for traffic the grantees shall discontinue the working of such tramway, or any part thereof, for the space of six calendar months (such discontinuance not being occasioned by circumstances beyond the control of the grantees), it shall be lawful for the Commissioner, without any previous notice to the grantees, to remove the tramway, or part of the tramway, so discontinued, and the grantees shall pay to the Commissioner the cost of such removal and of the making good of the street; and the certificate of the Commissioner as to such cost shall be conclusive.

15. The provisions of this agreement shall remain and be in force for a term not less than twenty-one years from the date thereof. The corporation shall have the right of purchasing the said tramways, with the plant, stores, rolling-stock, and everything connected therewith, after the expiration of the said twenty-one years, upon declaring its intention so to do within six months after the expiration of the said twenty-one years, and shall have a renewed right of purchase at the end of every seven years after the expiration of the said twenty-one years upon similar notice being given; the amount to be paid in the event of such purchase shall be actual *bonâ fide* value, exclusive of any compensation for good-will, premium, compulsory sale or other consideration whatsoever, of the tramways, and of the work and materials connected therewith, and of the lands and buildings and all other property of the grantees, such value, in case the parties do not agree, to be decided by arbitration as hereinafter provided; and for the good-will, premium, compulsory sale, and other consideration of the business of the grantees, an amount equal to twenty-

one years' purchase, calculated on the average profits of the previous three years, four per cent. per annum on the above value as paid being first deducted from such profits.

16. The provisions hereinbefore contained shall, so far as applicable, apply to all tramways to be constructed by the said grantees or their assigns by any route or routes to be hereafter fixed by the Commissioner or under clause 1 of these presents, and to the works connected with, or incidental to, such tramways, it being agreed that, in the event of the municipality failing to declare its intention, as above provided, to purchase the property of the said grantees, the terms of this contract shall continue in force.

17. The said grantees or their assigns will, if required by the said Commissioner, before opening and breaking up the soil and pavement of any street or bridge under clause 5 of these presents, deposit with the Bank of Bombay, in the name of the said Commissioner, the sum of rupees 5,000 or, in their option, promissory notes of the Government of India of the nominal value of rupees 5,000, and the same will remain so deposited until the completion by the said grantees or their assigns of the abovementioned lines of tramway herein sanctioned for immediate construction. All interest accruing on the said sum or the said notes shall be credited to the said grantees or their assigns, and, subject as next hereinafter mentioned, be paid to them as the same accrues due. The said Commissioner shall be entitled to deduct all fines recovered by him out of the sum so deposited, or the interest accruing on the said sum or notes, or out of the proceeds of sale of a portion of the said notes on completion of the said tramways as specified in clause 1 of this agreement.

18. In consideration of the concession herein granted, the said grantees undertake, on behalf of themselves and their assigns, that they will pay to the Municipal Corporation of Bombay a yearly rent of Rs. 3,000 per mile of double track and Rs. 2,000 per mile of single track, payable half-yearly; the date on which such rent on each line of tramways shall begin to accrue shall be the date on which such line of tramways is opened for public traffic.

19. It is agreed that no sidings, turn-outs or tracks necessary to connect the traffic-lines with the stables, carriage-sheds, factories or other property or properties of the grantees shall be included in the mileage on which rent is to be paid; such sidings, turn-outs and necessary connecting tracks being free of rent.

20. The sleepers, rails, materials, implements and other erections placed and erected by the said grantees on the streets or roads under the powers hereby granted shall be and remain the property of the said grantees, and the said grantees shall have the exclusive use of their tramway or tramways for carriages with flanged wheels, or other wheels suitable only to run on the prescribed rail.

21. The grantees shall have the exclusive right of laying and using tramways within the limits of the Bombay Municipality on the terms herein stated; but, in the event of the grantees refusing to lay down any line which the Municipal Commissioner may consider necessary, he shall be at liberty to grant the right of laying and using such line to any other party.

22. Unless the said grantees shall have commenced the work of laying down the said tramways within twelve months from the date of the execution of these presents, the Municipal Commissioner shall be at liberty to cease and determine this contract, and to enter into arrangements with any other person or persons for the construction of tramways, it being agreed, however, that these presents are subject to the sanction of Government, and that, in the event of their being executed prior to such sanction being given, the said twelve months shall date from the day on which notice of such sanction is given to the said grantees: Provided also that any delay in commencing the work beyond twelve months shall not have been due to any cause beyond the control of the grantees.

23. If any doubt, difference or dispute shall arise between the grantees, their heirs, executors or administrators, and the said Justices or their successors touching the construction of these presents or anything herein contained or touching or concerning any other matter or thing relating to these presents, then, and in every such case, such doubt, difference or dispute shall be referred to the arbitration of three indifferent persons, one to be from time to time chosen by the said grantees, and another by the said Justices, within one calendar month after either of them shall have made to the other a requisition to that effect, and the third to be named by the two persons from time to time first chosen; and the decision of such arbitrators if they agree, or of such umpire if they disagree, shall be final; and in case either party shall neglect or refuse to appoint an arbitrator within the specified time, the arbitrator appointed by the other party shall make a final decision alone.

IN WITNESS whereof the said Municipal Commissioner, for and on behalf of the said Justices, has hereunto set his name and caused the seal of the said Justices to be affixed hereunto, and the said WILLIAM FRENCH STEARNS and GEORGE ALVAH KITTREDGE have hereunto set their hands and seal the day and year hereinbefore written.

The estimated cost of such water-courses to be constructed within a local area shall be determined by the Canal-officer on the basis of the actual cost of such water-courses constructed within the local area before the 30th day of September 1933.

Bom XV of 1933 S. 3

4. After section 89 of the said Act, the following heading and sections shall be inserted, namely :— Insertion of a new Part XI.

"PART XI.—SPECIAL PROVISIONS FOR CERTAIN LANDS IRRIGABLE BY THE LLOYD BARRAGE CANALS.

90. This Part shall apply, in the first instance, to lands irrigable by the Lloyd Barrage Canals only. The Governor in Council may, from time to time, by notification in the '*Bombay Government Gazette*', extend this Part to lands irrigable by such other canals in Sind as may, from time to time, be improved or re-modelled for the more efficient distribution of water therefrom : Application of this Part.

Provided, however, that no such notification may be published until the said notification together with the scheme in respect of such lands has been laid on the Council table and approved by the Council on a motion made by Government.

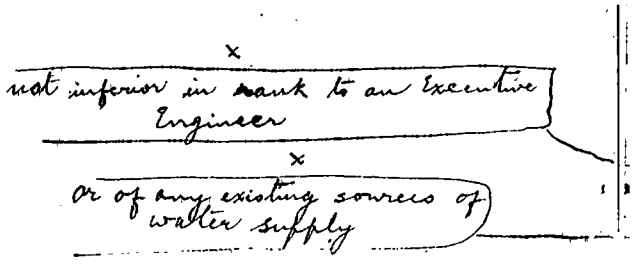
Provided further that if and when this part is extended to such lands, the cost of reconstructing water-courses shall not be charged on lands watered within the 20 years immediately preceding the date of such notification by canals in lower Sind outside the zone commanded by the Lloyd Barrage Canals.

91. (*1*) Whenever it appears to any Canal-officer not inferior in rank to an Executive Engineer that it is expedient to change the source of water-supply of any land for the more efficient distribution of water, he shall serve a notice on the holder or holders of the land and, if he proposes to transfer the source of water-supply of the land to any existing water-course, on the owner or owners of such water-course also, calling upon them to state in writing their objections, if any, as to the source or alignment or construction of the proposed water-course.

(*2*) (*i*) If no objection is raised within thirty days from the date of service of the notice, the Canal-officer may change the source of water-supply of the land in such manner as he thinks expedient.

(*ii*) If any objections are received within the said period of thirty days, the Canal-officer shall give the holder or holders of ~~land concerned~~ the land and the owner or owners of the water-course a reasonable opportunity of being heard and may, if the said objections are settled, proceed to change the source of water-supply accordingly.

(*iii*) If no settlement in respect of the said objections be arrived at between the Canal-officer



not inferior in rank to an Executive Engineer
or of any existing sources of water supply

(*d*) after the word "necessary", the following proviso shall be inserted, namely :—

"Provided that before a Canal-officer constructs a water-course under the provisions of this sub-section, the provisions of the last preceding section relating to notice, objections, reference and revision shall, so far as may be, apply as if such water-course were a water-course to be constructed under the said section.", and

and the holder or holders of ~~land concerned~~ the land and the owner or owners of the water-course Canal-officer shall forthwith refer the matter to the Collector whose decision, subject to any orders that may be passed in revision by the Commissioner, shall be final and conclusive as regards the alignment and construction of the proposed water-course and shall not be called in question in any Civil Court.

Bom XV/33, S. 26(b)

(3) If after the construction of any new water-course the Canal-officer finds that any further alterations in the alignment or construction of the said water-course are necessary, it shall be lawful for him with the previous sanction of the Collector to carry out the necessary alterations at the expense of Government.

deleted by S. 26(c) of Bom XV/33

92. (1) If ~~in pursuance of the provisions of the last preceding section~~ it shall appear to ~~the~~ Canal-officer that new water-courses should be constructed for the irrigation of any land ~~in place of any existing water-courses~~, it shall be lawful for him to construct such water-courses as he thinks necessary : Proviso :— Pl. vide sec. 3(d) of Bom XV/33 — Slip E

Construction of new water courses and liability of landholders for payment of cost thereof.

further

Provided that if the holder or holders of such land agree to construct such ~~new~~ water-courses at his or their own cost to the satisfaction of the Canal-officer within a specified period, the said officer shall give the said holder or holders an option of so constructing the same.

under the option given to such holder or holders in the proviso to sub-section (1)

(2) In the event of the holder or holders of any land failing to construct any such water-course either to the satisfaction of the Canal-officer or within the period specified ~~in this behalf~~, the Canal-officer may construct the same or reconstruct ~~the~~ in whole or ~~any~~ in part ~~thereof~~ as he thinks necessary.

(3) The Canal-officer shall, on completion of any such water-course as is referred to in sub-section (1) or (2), give to the holder or holders of land concerned notice thereof, and shall make over possession of the water-course to the said holder or holders.

(4) (a) The cost of constructing all water-courses which have been constructed in whole or in part

for clauses (a) & (b) substitute as in sec. 3(3) (a) of Bom XV of 1933 — Slip F

x Vide sec. 3 (c) of Bom XV/1933

by the Canal-officer and are fed by the same canal system shall be added to the estimated cost of the construction of all remaining water-courses proposed to be constructed for that system but not yet constructed, and, shall be calculated on an acreage basis and charged on the lands irrigated by them in the following proportions, namely :—

Occupied cultivable land which has not been cultivated between the 1st day of August 1911 and the 1st day of August 1931 shall be assessed to three times and Government cultivable land shall be assessed to twice the rates chargeable to occupied land which has been cultivated since the date aforesaid.

Explanation.—For the purposes of this section, estimated cost shall be arrived at by reckoning the average cost of such water-courses as are constructed up to 31st March 1932.

Illustration.—The total cultivable area under a canal-system is 6 lacs of acres. Out of this (1) the area of occupied lands not cultivated between the 1st day of August 1911 and the 1st day of August 1931 is 1 lac of acres, (2) that of Government land is 2 lacs of acres, and (3) that of occupied lands cultivated between the 1st day of August 1911 and the 1st day of August 1931 is 3 lacs of acres. Assuming that all the water-courses, for irrigating these lands are or will be constructed by the Canal-officer at an actual or estimated cost of Rs. 10 lacs, the apportionment of the cost of construction will be as follows :—

As the assessment of the cost is to be recovered from these lands in the proportion of 3 : 2 : 1, the rate per acre will be found by distributing the cost of Rs. 10 lacs over the total area as if the area of the land in class (1) was 3 lacs of acres, that in class (2) was 4 lacs of acres and that in class (3) was 3 lacs of acres, i.e. a total of 10 lacs of acres which gives a general acreage rate of Re. 1. Thus occupied land not cultivated between the 1st day of August 1911 and the 1st day of August 1931

or reconstructing a water-course in accordance with the provisions of clause (a) or (b)

the sum payable on account of such cost

twenty equal instalments payable either annually or at such less intervals as may be convenie to such holder or holders

will pay at the rate of Rs. 3 per acre, Government land will pay at the rate of Rs. 2 per acre and occupied land cultivated between the 1st day of August 1911 and the 1st day of August 1931 will pay at the rate of Re. 1 per acre.

(*6*) If the Judge sets aside an election under clause (*a*) of sub-section (*3*), he may, if he thinks fit, declare any person by whom any corrupt practice has been committed within the meaning of this section to be disqualified from being a member of any local board for a term of years not exceeding seven, and the Judge's decision shall be conclusive:

[1]SCHEDULE D.

[*See section 28A, sub-section (7).*]

Agreement between the Board and the Municipality.

An agreement made this the 18th day of January one thousand nine hundred and one between the Municipality of Karachi of the one part and the Trustees of the Port of Karachi of the other part, whereby it is agreed as follows:—

1. The Municipality of Karachi (hereinafter called the Municipality) agrees to sell and the Trustees of the Port of Karachi (hereinafter called the Trustees) agree to purchase at or for the price of Rs. (18,054-5-0) eighteen thousand and fifty-four and annas five only, to be paid as herein-

[1] Schedule D was inserted by s. 31 of the Karachi Port Trust Act Amendment Act, 1902 (Bom. Act 2 of 1902), Vol. IV of this Code.

SCHEDULE D—*contd.*

after mentioned, all that eight-inch water main now laid and extending from the Currie Reservoir to the Travellers' Bungalow at the junction of the Preedy and Bunder Roads and all the iron piping connections and all appurtenances to the said main belonging or appertaining thereto.

2. The Trustees shall lay a six-inch main from the point where the said eight-inch main terminates, joining up one with the other, and carry such six-inch main along the Bunder Road as far as the Merewether Clock Tower, then across the road into the Port Trust Import Yard along the cart road in front of the Platform Sheds, joining the Bunder Road after passing the Custom House on its south side and along the Napier Mole Road to any such point or points at Keamari as the Trustees may now or at any time hereafter deem necessary or expedient.

3. The Trustees shall be at liberty to open up all roads along which the said six-inch main is to be laid to such depth or width as may be reasonably necessary, provided always that any road or portion of road so opened up shall be closed and restored to its original condition as soon as the main has been laid, and provided also that the Trustees shall fence the roads so opened and take all the necessary precautions to avoid injury, etc., to passengers and vehicular traffic. The work of laying the main shall, when commenced, continue without interruption until completion.

4. The pipe shall, wherever practicable, be laid at such a depth below the surface of the road that there shall be at least two feet of filling over every portion of the same.

5. During the construction of the main the Engineer to the Municipality shall at all times have access to the works for the purpose of satisfying the Municipality that the laying of the pipes is being satisfactorily carried out.

6. The Trustees shall pay to the Municipality the said sum of Rs. 18,054-5-0 herein agreed to be paid on the completion of the six-inch main and when the new 6 annas rate comes into force.

7. During the continuance of this agreement the whole of the said main from the Currie Reservoir to Keamari shall be the exclusive property of the Trustees, and the Trustees shall maintain and keep the same in proper repair and do all renewals and other works necessary for the proper upkeep of the line in such a manner that whenever, during the continuance of this agreement and under the terms thereof or when on the expiration of 30 years the line is taken over by the Municipality it shall be in a thoroughly good and satisfactory condition to fulfil at that time the functions for which it was originally laid. The Port Trust in fact agree to hand over the main in the same satisfactory condition as the Municipality would reasonably be expected

SCHEDULE D—*contd.*

to have maintained it had it been their own property. That in case of any dispute between the Municipality and the Port Trust as to the satisfactory condition of the pipes at the time they are taken over by the Municipality, the dispute shall be referred to the Commissioner in Sind for final decision.

8. The Trustees shall be at liberty at any time hereafter and from time to time, on giving cone clear day's notice to the Municipality, to take up the road at any point between the Currie Reservoir and Keamari as may, in the opinion of their Engineer, be necessary for examining or repairing any pipe or joint, or for laying any branch pipes, the Trustees in all cases restoring the road to its original condition so soon as the work is completed.

9. So long as this agreement shall remain in force the said main shall be used by the Trustees for the following purposes only, that is to say, for the work of the Port Trust and for the supply of water to ships and to Manora through the Port Trust, and no branches shall be taken from the said main for the supply of water to any person or persons or for any purpose except by the Trustees and for Port Trust purposes or for the supply of water to the shipping and to Manora through the Port Trust, provided that, if at any time the supply of water by the Municipality at Keamari shall be found to be insufficient for railway requirements, then water supplied to locomotives engaged on Port Trust work shall be considered as supplied for Port Trust purposes.

10. All water shall, on passing through the junction between the said eight-inch main and the said six-inch main, be measured by a meter to be supplied, fitted and maintained in proper working order by the Trustees, provided the said meter is off the main road. The said meter shall be of a pattern approved of jointly by the Port Trust and Municipal Engineers. In the event of either the Port Trust or the Municipality being uncertain as to the accuracy of the meter adopted, either party may put in a second meter on any portion of the six or eight-inch main in order to test the accuracy of the first. The meter to be kept under two independent locks and keys, so that neither the Port Trust nor the Municipal representative can inspect the meter independently.

11. The Trustees shall pay to the Municipality for all water as so measured by meter at the rate of six annas per one thousand (1,000) gallons; payment to accrue due on the 1st day of each calendar month and to be made as soon as the amount due shall have been determined.

12. The Trustees shall pay in addition to the said rate of six annas for one thousand (1,000) gallons, so long as the present temporary plague tax on water is chargeable to all other consumers, the plague tax of three annas per one thousand (1,000) gallons, and during the continuance of this agreement the Trustees shall be subject in the same way as all

SCHEDULE D—*contd.*

other sections of the community shall be subject to any special tax of like nature to the present plague tax that may be levied on all consumers of water under the sanction of the Local Government.

13. The valve communicating between the Currie Reservoir and the said main shall be always kept open, except when for the purposes of cleaning or repairing the Reservoir or for some similar purpose or when it be necessary under extraordinary circumstances in the interests of the public to restrict the supply it be absolutely necessary that it be closed, but before so closing it the Municipality shall give at least 24 hours' notice to the Trustees of their intention so to do. In the event of any difference of opinion between the Port Trust and the Municipality as to whether it is necessary in the interests of the public to close the valve, the question shall be referred to the Commissioner in Sind, whose decision shall be final on the point, but the valve shall in such case not be closed until the Commissioner in Sind's decision is given.

14. During the continuance of this agreement the Municipality shall not make any connection or branch to or from any part of the said main, nor shall the Municipality do or suffer to be done anything whereby the said main or any part thereof shall be injured or exposed to injury, or whereby the free flow of water from the Currie Reservoir (subject to the provision made in clause 13) into and through the whole length of the said main to Keamari shall be obstructed or in any way impeded.

15. This agreement shall, unless previously terminated as hereinafter provided, continue in force for the term of 30 years commencing from such date as the Trustees shall commence to use the said main for the purpose of drawing water therefrom at Keamari.

16. On the termination of this agreement by efflux of time the whole of the said main and all its appurtenances shall become the absolute property of the Municipality.

17. The Municipality may at any time, by giving three months' notice in writing of its intention so to do, terminate this agreement and take over the whole of the said main with all its appurtenances on payment of its value at the time of taking it over. This value shall be calculated on the basis of provisions of clause 16 hereof, *i.e.*, the price to be paid shall bear the same proportion to the original cost of the main (*viz.*, the price under clause 1 and the cost of extension incurred under clause 2 hereof) as the unexpired portion of 30 years to 30 years.

18. So soon as the said main and its appurtenances have been taken over by the Municipality under the provisions herein contained, the Engineer to the Municipality and all necessary Assistants and workmen shall at all times have access to the Import Yard or other premises belonging to the Port Trust in or under which any portion of the said main shall be laid for the purpose of examining, repairing or doing any other

SCHEDULE D—*contd.*

necessary work in connection with the said main or any branches thereof. And it shall be lawful for the Municipality to make any branch connections that they may think necessary with the said main, and for that purpose to open up the ground within the Port Trust premises in such places and to such depth and width as may be necessary: Provided always that it shall be lawful for the Trustees, at any time after the said main shall have been taken over as aforesaid at their own costs in all things, to remove from their premises such portion of the said main as shall be in or under their premises and relay the same in or under Municipal land, such relaying being carried out under the direction and to the satisfaction of the Engineer to the Municipality.

19. From and after the termination of this agreement, whether by the efflux of time or otherwise under the provisions herein contained, the Trustees shall pay the Municipality for water if they require to be supplied to them at such rates as shall mutually be agreed on or, failing this, as the Municipality with the sanction of the Local Government shall determine.

IN WITNESS whereof the said Municipality by their President and two Municipal Commissioners have set their hands and seals to one part of these presents, and the said Trustees by their Chairman and two of the said Trustees have set their hands and seals to another part of these presents, the day and year first above written.
